## Mrs. Barbara Canady

Barbara Canady graduated from Sparks High School in June, 1948. Shortly thereafter, she went to work for the old Sparks School District (which became the Washoe County School District in July, 1956). Barbara worked for several years and then left to have her family. Later, when her children were of school age, she returned to her secretarial job here at Sparks High.

Barbara was secretary to five Sparks High principals: Mr. Hug, Mr. Whitehead, Mr. Singleton, Mr. Anderson, and myself. She saw our school enrollment grow from two hundred to over nineteen hundred. Barbara was knowledgeable and capable and, when necessary, could perform any secretarial duty at our school. This knowledge came about due to the fact that she was the only secretary responsible for all the duties when she first started. She also kept a record of each graduating senior's credits, counseling many, which resulted in their graduation.

On February 15, 1985, Mrs. Canady completed thirty years at Sparks High School and retired. She will be missed but not forgotten.

In order to graduate one must take at least one credit of science. There are many different types of classes one can choose from, which are: earth science, life science, biology, chemistry and physics. ## Students lead fun year

One of the reasons that made this school year fun and spirited was due to the great leadership of the student council and student body officers. They sponsored many activities during both of the Homecoming weeks, including the dress-up days and hall decorating. ## Academic Team earns an "A"

The Academic Olympics is a club of several "sharp" individuals who participate in challenge meets against all other Washoe County schools.

**Mr. Birmingham** had been the coach ever since Sparks High started the club three years ago. **Mr. Birmingham** was alone for the first year, but the second year helped by **Mrs. Sill** and now the newest addition **Mr. Norris**.

The idea of the matches is to see who can answer the most academic questions correctly. Each of the questions range from ten to fifty points a piece. The questions cover all subjects in high school, current events and miscellaneous.

All the teams in the district participate and the weaker teams are eliminated by a combination of losses.

The idea is to show the students knowledge, but the main thing is to have fun while doing so.

Trophies are awarded to the top best teams, and certificates of participation are awarded to each participant.

On every Monday in the month of February, a meet is held, leading to the big tournament in March, which everyone is looking forward to being the best academically.

1. **Tom Miller** finds the question rather funny.
2. **Joel Muller** much rather be in the picture.

## Jr. Masquers

Jr. Masquers is an organization which puts on fund raising activities, such as plays, Rock Show, and The Slave Sale.

The fall play, "Cry of the Banshee," raised over \$300.00. During the lunch hour the Rock Show and Slave Sale were put on. In the Rock Show students got to act out their favorite singers. At the Slave Sale, girls were sold to the Highest bidder. They had to do what buyers said for a day. Both productions together raised over \$700.00.

## Our Block "S" unites as one

Block "S" is a group of guys that have a varsity letter from participating in a sport.

Together, as a team, they brought us some of our homecoming activities. They provided the escorts for the homecoming candidates.

Using their fund-raisers, such as the slave sale, the dance after football season, and "kiss the pig" contest, they bought the homecoming queens' crowns and lockers.

Mr. Olivero and Mr. Peraldo have been the Block "S" advisors for the past eight years.

Mr. Olivero said that "Although the students went at their own pace and participated in only the activities they were interested in, the club gradually grew smaller."

Even so, without Block "S" a part of Sparks High's spirit would be lost.

Rob.

This year's fall National Honor Society was made up of sixteen returning members. The induction for seniors was held on Nov. 14, 1984 in the Little Theatre, bringing on fourteen new members. The spring National Honor Society was devoted mainly to raising money for scholarships. It also donated a painting to the Sierra Health Care Center. During the latter part of the year, they volunteered their services to the Food Bank by taking inventory. They also held an election to determine new officers for next year. As in the fall, they, too, had an induction ceremony, where 26 new members were inducted into the National Honor Society. **Mrs. Deborah Agosti** was the guest speaker, who talked about the future and what we can do with it.

## German Club hits Germany

This year's German Club has been busy raising money for their trip to Germany. While talking to **Mr. Norris** (German Club advisor) he said they would be visiting both East and West Germany

For fund raising they have done everything from washing cars to selling candy. Some have even got sponsors.

With this great effort, **Mr. Norris** was sure that all would be able to make enough money for the trip.

## Spanish Club visits the world

This year's Spanish Club took quite a trip. They visited cities throughout Europe. The students all raised their own money, with a little help from selling candy at school.

Some of the cities they visited were London, Paris, Madrid, and Torremolinos. There was also an option for each student to go to Tangiers and/or Northern Africa.

They were gone a total of twelve days. They started their trip in San Francisco

where they boarded British Airways. Their 747 landed in London, where the fun began. On the fourth day of the trip they left for Paris. They stayed two days, in Paris, and then it was off to Madrid by train. While in Madrid they visited many of the sights the city had to offer. After that it was off again to Torremolinos where they spent time on the beach and sight-seeing. It was then back to the U.S.A. with their memories and mementos.

## Band hits high note

## New Additions Add Volume

This year in Chorus more boys have gotten involved, adding volume to their sound. Added with previous members, this has made our Chorus quire good, as they showed us with four Superiors and five Excellents awarded in Solo Ensemble Festival. They combined many of their concerts with other schools including Reno High School and McQueen High School. This is Mrs. Naunie Gardener's first year with Sparks High, and she feels our school has a lot of talent. She is well on her way to building a stronger chorus for Sparks High School.

1. **Ken Ware** with the Vocal Ensemble Choir, holds chorus mascot "Mr. Munch."
2. Vocal Ensemble Choir sings "Body Electric" at the football homecoming assembly.
3. The Intermediate Choir sings at the Pop concert in October.

Barbara Canady  
Retired 1985

A sample of SHS

As editors of the 1985 *Terminus*, we would like to share our appreciation with everyone who has contributed in making this year's edition a "successful" one. First of all, we would like to say goodbye to **Mrs. Barbara Canady**, who retired during the '85 year, for all that she put into Sparks High. We will all truly miss her. To **Josten's** and **Mr. Scantlebury** who had patience when it came to meeting our deadlines. **Mr. Furman**, our trusty adviser, who put up with all of us who found it hard, but kept pushing. To **Ross Photo**, for helping get the pictures developed fast enough so it would

be possible to meet our deadlines. To **Mr. Tedrowe**, who donated pictures of the Fashion Show to the class. To the staff, you guys did great, you made the class very enjoyable, thanx. To **Cherie**, just think, next year you won't have to write on the walls! Finally, to the class of '85. We've given you a memory, now it's time to give yourself one. Good luck!

Sincerely,

Sandy Grupcznski
